11. The **guzzie+Gus** (888/597-0992 or [guzzieandguss.com](http://guzzieandguss.com)) Connect system is a revolutionary new concept and more than your average stroller. Each stroller features a removable seat which fits not only the stroller chassis, but also a highchair or a rocker. The Connect system has been developed to provide transportation, comfort, rest, soothing and feeding all in one innovative product.

12. Navigator from **phil&teds** (800/839-4985 or [philandteds.com](http://philandteds.com)) is the world's first auto-stop inline set to revolutionize the way parents think about safety and convenience. The auto-stop allows parents hands-free moments whether an older child pauses to take in an interesting sight, a mobile phone starts to ring or glasses need wiping. With 26 riding options on a super-slim frame, parents can take one or two children anywhere with refreshing ease.

13. The VISTA from **UPPAbaby** (781/413-3030 or [uppababy.com](http://uppababy.com)) is a convertible smart stroller system that comes complete with a bassinet and reversible toddler seat, as well as an SPF 50+ sunshade and extra-large storage basket. It is suitable from birth up to 50 pounds. The VISTA grows with your family and can accommodate up to three children with the use of a RumbleSeat and/or PiquyBack board.

14. Versatile, robust and spacious, the one-piece fold Bugaboo Buffalo from **Bugaboo, Inc.** (800/460-2922 or [bugaboo.com](http://bugaboo.com)) has a high, wide seat (up to 51 pounds) and an extendable sun canopy for extra protection against the elements. Stow up to 22 pounds in the underseat basket or use the dedicated bag hooks on the handlebar to put up items like a shopping bag.

15. Thanks to its large diameter wheels and lightness, the Nanuq from **Jané** (866/890-3071 or [jane-usa.com](http://jane-usa.com)) offers parents easy handling over difficult terrain. Equipped with Jané's innovative "ball joint" patented system, the Nanuq folds to 12 percent of its height when upright, making it one of the most compact versions on the market. It also features an adjustable handle and a stand to keep the stroller upright when folded.
